AFTER SCHOOL PROGRAM

JMS offers an after-school program which provides supervision for students from 3:30 p.m. until 6:00 p.m. each school day. The program is open to children enrolled in JMS in grades 5-6. To take advantage of the program, parents must complete the requirement forms and pay a fee. Students participating in the program are involved in daily homework time and physical recreation (both teacher directed and self-directed free play).

The cost of the program is \$7.00 per day per child (includes snack) and is a pre-paid program. All fees are to be **prepaid** by the day, week, or month. "Drop-ins" are defined as students who had fees received at the school later than 10:00 a.m., students returned by the bus or students remaining in car riders after 3:00. The fee for "drop-ins" is \$9 per day, due at the time of pick up.

The After-School Program is self-supporting and relies entirely on the funds generated from student participation to pay salaries and purchase supplies. The funds may also be used for improvements to the school. Failure to prepay, to keep your balance in good standing or having three incidents of late pick-up could result in your child being dismissed from staying in ASP.

For student safety, a photo I.D. is required when signing students out of the After-School Program. Parents picking up students from the After School Program will enter the main entrance and sign their student out in the front office of the school. Students who are not picked up on time may be turned over to law enforcement officials.

ASP Fees for Late Pick-Up-\$10 per 15-minute increment per child

6:01 p.m. – 6:15 p.m. = \$10

6:16 p.m. – 6:30 p.m. = \$20

6:31 p.m. – 6:45 p.m. = \$30

6:46 p.m. – 7:00 p.m. = \$40

Every parent is encouraged to register his/her child for the After-School Program. In the event that an emergency arises and your child has the need of the services, all important emergency contacts will have already been signed and documented. In order to register your child and/or obtain additional information/guidelines concerning the program, contact the school office at (706) 253-1730 or ASP directly at (706) 253-1730 ext. 170 after 4:00 p.m.

ARRIVAL

Parents may **not** drop off students before 7:45 a.m. unless they are participating in the before school program, which begins at 7:15 a.m. **Parents must drop-off in the front of the building in the car drop-off lanes after 7:45 am. Only buses will drop-off in the rear parking lot of the school in the morning.** School personnel will be waiting for your child and will secure your child's care from the vehicle from 7:45 until 8:30. The school doors open at 7:15 a.m. for the before school program. No staff members are available to ensure your child's safety at car drop-off before 7:15 a.m. Breakfast will be available in the cafeteria beginning at 7:50 a.m. All students will be dismissed to the classrooms at 7:50 a.m. Students arriving to school after 8:20 a.m. should not expect to eat breakfast from the JMS cafeteria, but have until 8:30 to take a breakfast to-go from the cafeteria. The cost is the same for both options.

ATTENDANCE ZONE POLICY

The Pickens County Board of Education has established geographic attendance zones for elementary and middle school students. Students are required to attend the grade appropriate school in the attendance zone in which they reside.

Attendance zones shall remain as established until modified by the Board. Attendance zones will be approved by the Board based on student enrollment, anticipated growth, transportation requirements, traffic patterns and congestion, classroom space availability, and educational program needs.

Because Jasper Middle School serves all fifth and sixth grade students in Pickens County, all student in these grade levels and residing in Pickens County will attend JMS.

ATTENDANCE

Children can arrive at school between 7:15 a.m. and 8:30 a.m. At 8:30 a.m. the academic day begins and students not in the school are counted tardy. For the purpose of determining Daily Attendance, any child **leaving school BEFORE 12:00 p.m. or arriving at school AFTER 12:00 p.m. will be marked absent** for the entire day.

Absences (Excused and Unexcused): A written excuse **MUST** be brought to the teacher or the front office after any absence. As permitted under state law and State Board of Education policies, pupils may be lawfully excused for the following reasons: personal illness, serious illness or death in the family, special and recognized religious holidays observed by their faith, absence as mandated by order of governmental agencies, conditions rendering school attendance impossible or hazardous to their health or safety. Additionally, special provisions regarding students of parents in the U.S. Armed Forces / National Guard are provided for in the Pickens County Student Code of Conduct. Excuses for absences should be furnished in writing the day the student returns to school. All absences must be rectified by an excuse **within five days** from the student's return to school. Excessive unexcused absences will be reported to the county social worker.

Make Up Work: Students are expected to make up all work missed while absent, regardless of the reason for the absence. When a student is absent for **more than one day**, parents should call for make-up work. Parents should call before 9:00 a.m. to allow 24-hours for work to be gathered and available for pick up in the office.

Tardy: Homeroom instruction starts as early as 7:50 a.m. **Students who arrive after 8:30 a.m. are considered late and must report to the office for a late pass. Students arriving at 8:30 a.m. and later must be signed in at the office by an adult and receive a tardy slip before reporting to the teacher.** Occasional tardiness may occur; however, a pattern of late arrival at school is a serious problem and may require a referral to and intervention of the Pickens County Board of Education's Attendance Support Team (AST). Please allow students to ride their assigned bus when possible. Even if your child's bus is late, the student is not counted as tardy.

Checkouts: **Students who leave before 12:00 p.m.** will be counted absent for the entire day. Parents are urged to leave their children in school for the duration of the academic day. Appointments should be scheduled outside school hours whenever possible. If students must be picked up prior to the end of the school day, parents are required to go to the office, present a photo ID and sign their child out before 3:00 p.m. Students will then be called to the office to leave with their parents. Parents should not go to the classroom to retrieve their child. **DUE TO DISMISSAL PREPARATIONS, THERE WILL BE NO CHECK-OUTS AFTER 3:00 p.m. Due to bus arrival in the afternoon, all parking along the front of the school should be clear by 3:00 p.m.**

Withdrawals: The classroom teacher and school office should be notified **at least one day in advance** when a student is going to move or be withdrawn from school. A transfer/withdrawal form will be completed for you to take to the new school if prior notice is given. All charges (lunch, picture, ASP, etc.) should be paid and library books and text books should be returned before the student transfers/withdraws. *****See the Pickens County School Student Code of Conduct for more details.**

AWARDS/HONORS

Awards will be given out every semester and at the end of the year to honor students for a full year of achievement. Awards will be given based on academics, citizenship, attendance, and specialty areas. Parents must go to the office to check out siblings if they wish them to attend any award ceremony of siblings.

BEFORE-SCHOOL PROGRAM

The JMS before-school program will be from 7:15 a.m. until 7:50 a.m. each day. This is a drop-in program so parents may drop students off between the times listed above at the stairs leading to the gym at the front of the school on Stegall Drive. The program will end at 7:50 a.m., at which time students will go to the cafeteria for breakfast or to their classroom. There is no charge for the before-school program.

COMPUTER AND ACCEPTABLE USE GUIDELINES

*****See the Pickens County School Student Code of Conduct for more details.**

DISCIPLINE

Appropriate behavior is an important aspect of our school. We strive to teach every student, by work and example, the importance of developing a sense of personal responsibility for his/her actions. As part of the Positive Behavior Intervention and Support (PBIS) system, students will be asked to show what their behavior should look and sound like in various areas of the school. As quality education involves effort in both home and school environments, the best results are accomplished when we all work together for the good of the children. School-wide expectations include behaviors that show respect, responsibility, honesty, accountability, and safety. As we implement PBIS strategies this year, expectations for the following school areas will be developed: cafeteria, hallways, restrooms, playground, and classroom. JMS values good behaviors and uses the incentive system developed by the JMS PBIS Committee to recognize and reward appropriate behavior.

Behavior Consequences: Our staff believes all students can choose to behave appropriately. Any student choosing to interfere with a teacher's instruction, other student's learning, or the safety of other students or staff will not be tolerated. Students are required to follow the school wide behavioral and educational expectations as addressed in the Pickens County Student Code of Conduct. In life, everyone experiences positive and negative consequences based upon the choices that we make. The same applies to behavior choices during the school day. Students who abide by the rules and procedures set forth by the school and teachers will receive positive feedback and acknowledgement for their accomplishments. Students being respectful, responsible and/or safe may be given Dragon Dollars in recognition of their efforts. If a student does choose to misbehave, he/she will receive a negative consequence based upon the severity and frequency of the behavior. The classroom teacher will monitor student behavior and address student misbehavior. Notification is made to the parent if the teacher deems it necessary. Habitual misbehavior or major infractions will result in the student having more severe consequences.

Bus Discipline: All discipline issues on buses will follow the Pickens County Student Code of Conduct. Repeated offenses on the bus could result in total suspension from the bus.

In accordance with Pickens County Schools transportation policy bus riders will be allowed one (1) pick up spot in the morning and one (1) drop off spot in the afternoon. **PLEASE note that the policy states that students may not ride the bus home with other students nor may students ride a bus other than their regularly assigned bus. If you have questions regarding transportation services, please call (706) 253-1727.**

CLINIC AND HEALTH SERVICES

The health and well-being of your child is very important to us. JMS has the services of a school nurse from 8:00 a.m. to 3:30 p.m. daily. The office staff handles student health needs at other times. A medical form will be sent home at the beginning of each school year to obtain medical information and update our records for medical care. The school nurse cannot verify if a student with a rash, sores, or red eyes has a communicable disease. Only a physician can certify that a child is free from such disease. If the school nurse suspects your child to be contagious, you will need to **acquire a note from a physician** before he/she is allowed to return.

Head Lice: The Pickens County Board of Education maintains a no nit policy. Head lice and nits (eggs) are not uncommon in Georgia elementary schools. Students are checked for possible infestation on an as-need basis. Parents/guardians will be contacted to pick up the child if nits or lice are found. Students may not ride the bus or return to school until all nits and lice are removed. Our school nurse will provide cleaning and removal information for parents. The child must be checked by the school nurse before returning to class.

Health guidelines for our school are as follows:

1. To prevent the spreading of illness, please do not send a child to school that is sick and/or has a fever. **A child who is sick with fever, nausea or illness should not be sent to school. The student must be fever-free, without medication, for 24 hours before returning to school.**
2. When a child becomes ill at school, the school nurse will evaluate the seriousness of the symptoms and **if necessary** contact parent or guardian. **If the student develops a temperature at school of 100.0 or higher, they will be sent home.** Students who are too sick to function in class, regardless of fever, are sent home.
3. If a serious illness or injury occurs, the school nurse will contact the parent or guardian immediately and, in some cases, contact the Emergency Medical Services. **It is imperative parents keep updated phone numbers on file with the office.**
4. Please send a note if you wish to be contacted on a day you suspect your child may be ill, yet may not fall under the above two reasons for going home.
5. Students having accidents involving bodily fluids will be sent home for clean-up per the policy of the enforcement of Universal Precautions.

Medication Guidelines: When at all possible, we encourage you to schedule your child's medication so that it may be given at home.

1. Medication, whether prescription or over the counter, should not be sent to school with a child. **Adults are to hand-deliver all medications.**
2. Medication must be kept in and dispensed from the clinic and in the original container with the student's name, prescription, pharmacy, doctor and dosages clearly printed on the bottle.
3. A medication form **MUST** be completed by parents/ guardians requesting the administration of ANY medications at school.
4. Over-the-Counter medications can be administered to your child **ONLY** if it has been sent from home in the original container, along with a completed school medication form. Over the counter medications, such as Tylenol and Tums, may be given to your child if you fill out the section on the nurse's form giving the school permission. The medication must be in the **original container** with the child's name and instructions printed clearly.
5. Permission from the parent/guardian must be signed allowing school personnel to administer the medications. Specific information and instructions will be requested by the school nurse, from parents of students requiring intensive medical care.

CLUBS

Updated information will be available on the school's website and the Pickens County Code of Conduct for student club offerings. All students at JMS are in 2 clubs for the year. Each club will meet twice per month and students will switch to their second club after first semester. Students also are assigned a group for Dragon Time which meets twice per month.

CODE OF CONDUCT

The Pickens County Student Code of Conduct is located on the Pickens County website at www.pickens.k12.ga.us. A hardcopy can also be obtained by requesting it. Parents and students should carefully review this document. All parents must sign that they are aware of the contents.

COMMUNICATION/NEWSLETTERS

Teachers at JMS will communicate with parents through email, websites, notes home, personal phone calls and conferences. Each grade level will send home a weekly or monthly grade level newsletter, graded papers and reports.

CONFERENCES

Communication is encouraged between school and home. Conferences should be arranged in advance at a time when the teacher does not have other commitments. We ask that you not "drop-in" for a conference as this should be a scheduled appointment time. Please communicate with the teacher via note, email or phone call to arrange a conference. Teachers usually have time to return email and phone calls or make appointments to speak to parents during their daily planning time. **Teachers will not conduct parent/teacher conferences or accept conference calls during instructional time.**

COUNSELOR/GUIDANCE SERVICES

At JMS, counseling services are available to all students. The counselor works with parents and teachers to meet the academic, personal, and social needs of our students. Individual and group sessions are offered to support students in particular need of assistance. The counselor may also serve as a liaison between parents, teachers, administrators, and community referral services. Other services available to students include crisis intervention.

CUSTODIAL/LEGAL INFORMATION

Parents/legal guardians are responsible for providing office personnel with **a copy of any legal documents involving the custodial care of his/her child**. The lack of legal documentation and any resulting conflicts may require local law enforcement involvement. Parents are asked to refrain from engaging in non-constructive custodial discussions or conflicts on school grounds.

DISMISSAL

All students are dismissed at 3:30 each day. Students riding the bus home will report to the back circle of the school near the cafeteria if first load or the cafeteria if they ride a bus in second load group. Afternoon car riders will line up along the side walk in front of the school with teachers from their team. Parents will line their cars in the parking lane and right lane of Stegall Drive in front of JMS. Once all vehicles are stopped, students will go to their vehicle. Parents should not drive away from the lane until directed by school personnel. Any parent wishing to enter the school building before 3:30 p.m. for any purpose, including student pickup in the parking, must obtain a visitor's pass. No student will be released before 3:30 p.m. without being signed out in the office. **Due to safety issues, no student can be taken directly from the bus when buses are being loaded at the school.** If car riders are not picked up by **3:55 p.m.**, they will be sent to the After School Program at a cost of \$9.00 per day.

Students will follow "going home" instructions as given by parents or guardians. Any changes made in these plans are to be made in writing or via a phone call to the office. These calls will be forwarded to

the teacher's voice mail. **Calls made after 2:00 p.m. will not be honored. Staff members will not honor a child's verbal change to establish "going home" plans without verification from a parent or guardian.** NO changes in bus transportation will be permitted in Pickens County Schools. Refer to the Pickens County Student Code of Conduct.

DRESS CODE

Since school is an educational environment it is necessary to provide as few distractions as possible for the students. Appropriate dress and appearance for school includes shoes, clothing, jewelry, accessories, etc., which do not draw attention to the student. Please refer to the Pickens County Student Code of Conduct for specific dress code guidelines. Chaperones for field trips, lunch visitors and room volunteers are asked to follow these same procedures.

DRILLS

Safety drills will be conducted each month. These drills allow students to practice fire, tornado, evacuation, and lockdown drill procedures.

Parents or guardians are required to provide the school with any changes in address, phone numbers, and/or emergency contact information. It is essential that our office staff be able to reach you should an emergency occur.

"Fire Drills" will be held each month. Students will be instructed in fire drill procedures prior to the first drill:

1. At the sound of the fire alarm signal, all instruction will cease and students/staff will exit the building to assigned areas on campus. The assigned areas are posted on the emergency evacuation map located in each classroom.
2. Teachers and staff members will care for and monitor the students during the drill. At the sound of a re-entry signal, teachers and staff members will lead the students back into the building and instruction will resume.
3. Parents will be notified if an actual fire emergency exists.

"Lockdown Drills" will be conducted several times throughout the year. Students will be instructed in the lockdown procedures prior to the first drill.

"Tornado Drills" will be conducted throughout the year, as recommended by the Civil Defense procedures. Instructions for the tornado drill will be provided prior to the first drill.

Severe Weather Procedures – During the school year, if it is necessary to either dismiss or cancel school due to severe weather, the following radio and television stations will inform parents and students:

WYYZ 1490 AM	ETC Channel 3	WLJA 93.5 FM
WSB Channel 2	WSB 98.5 FM	
BOE Information Line 706-253-1710		

Parents will also receive a phone call from our school system's communication system informing them if school is to be cancelled.

EARLY INTERVENTION PROGRAM (EIP)/REMEDIAL EDUCATION PROGRAM (REP)

EIP is a state funded program which is available to eligible kindergarten through fourth grade students. This program focuses on skills that are necessary for academic success. Remedial Education Plan is the name for sixth through eighth grade students.

ELECTRONIC MEDIA DEVICES

Student use of an electronic communication device is prohibited while on school campus. Students may have a device turned off inside their backpack during school hours. If these items are used during school hours, they will be confiscated and a parent will be required to pick up the item from the office. Other consequences may be assigned as outlined in the Pickens County Student Code of Conduct.

ELEMENTARY AND SECONDARY EDUCATION ACT

*****See the Pickens County School Student Code of Conduct for more details.**

EVENTS/PARTIES/BIRTHDAYS

Students are permitted to participate in two celebrations during the school year, Winter Holiday and End of the Year. Teachers may wish to have seasonal snacks to supplement a unit of study. Parents will be contacted for assistance if needed. As students mature and are now in Middle School, we want to allow for more independence, therefore parent attendance at school parties will not be common practice.

Student birthdays will be recognized during morning announcements. Classrooms will not celebrate student birthdays or any other holidays not specified above. Students are also prohibited from handing out birthday party invitations at school. Flowers/balloons/gifts may **not** be delivered to school for any occasion. Due to contractual obligations with the Pickens County School District and Coca-Cola, only Coca-Cola products may be served or distributed at the school.

EMERGENCY NOTIFICATION TO PARENTS

Parents or guardians are required to provide the school in writing with any changes in address, phone numbers, email address, and emergency contact information. An automated phone system will be used periodically during the year for dismissal due to inclement weather, announcements, schedule changes, or school-wide emergencies. **It is imperative that the phone numbers given are correct and updated as numbers change. Be sure these updated numbers and correct email address are given to both the teacher and the front office.**

Early Dismissal, School Cancellation or Delayed Opening: During the school year, if it is necessary to either dismiss school early, delay the start of school or not have school because of severe weather, you may listen to local radio or television stations--ETC Channel 3, WLJA 93.5, WSB Channel 2 and WSB 98.5. Furthermore, the PCSD website will post the information at www.pickens.k12.ga.us. If weather becomes severe during the school day and school is to be dismissed early, an announcement will be made to that effect. Parents are asked to allow their child to ride the Pickens County school bus or daycare bus if such an event occurs. Please be sure to indicate this on the emergency transportation handout. We will not be able to call individual parents if school is dismissed early.

FIELD TRIPS

The cost will be divided among the students in the class; however, field trips in each grade level must have 95% of the paid participation rate **or the field trip may be subject to cancellation**. Field trips are

considered an extension to the instructional day and no student will be denied the opportunity to participate in a field trip due to the inability to pay. However, students may be unable to participate in any school related activities due to discipline. Siblings may not attend field trips unless they are over age 18 and will follow the same procedures as parents/guardians. **Parents or older siblings attending field trips will not be allowed to ride the school bus.**

- Student meal account notices for all students with a delinquent meal balance will be generated weekly and sent to households via students, telephone calls or emails.
- Students who owe for charges are not allowed to purchase supplemental sale items.
- Students may not charge supplemental sales.
- When a child exceeds the charge limit, a phone call will be made to the household by school nutrition staff. If a successful resolution has not been reached, a referral will be made to the principal or his/her designee who will contact the parent.
- Students will continue to be served a complete reimbursable meal while the school nutrition staff works to collect delinquent debt that exceeds the charge limit.
- It is the goal of the SNP to eliminate unpaid charges at the end of each academic year, however unpaid meal charges will be carried over at the end of the school year as a delinquent debt and SNP will continue collection efforts into the next school year.
- SNP may seek reimbursement for excessive funds owed through all legal means.

PLACEMENT & PROMOTION

Grade placement is determined by the overall academic and social progress of the student, with emphasis placed on the mastery of reading and math skills. Placement decisions for fifth grade may also be determined by the Georgia mandated assessment results, **but not as sole indicator**. Students entering Pickens County Schools from private or home study schools may be evaluated to determine appropriate placement. Initial placement is temporary until such assessment is completed.

Conferences are held in late spring to discuss placement of students who are not meeting minimum promotion requirements. Local and state requirements for promotion are followed in deciding appropriate grade placement. Parent input is valuable, but the final responsibility for the decision rests with school officials.

TRANSPORTATION

Buses: Riding the school bus is a privilege. This privilege can be taken away at any time for disruptive or unsatisfactory behavior. The administration will give drivers their full support. Students must report to the bus stop on time (at least five minutes prior to pick up) and get on/off the bus at the same stop each day. Car Rider Procedures:

- **Morning Drop-Off—Doors Open at 7:50 (per the school clock) for drop-off at front door on Stegall Drive**
- Students should exit the car from **the passenger side only**. Once you have safely stopped your car, you may direct **your child to open the car door**. The staff on the sidewalk is there to monitor children on the sidewalk and assist if necessary, but **children should open and close the car door on his/her own**.
- If your child is unable to exit from the passenger side of the car or open/close the car door on their own, you may pull into the parking area near the car drop-of zone and assist your child.
- If you need to come into the building with your child, please park your car and walk to the main entrance of the school. You must obtain a visitor's pass to be in the building. Teachers are generally unavailable to meet once students begin arriving to school but we will be happy to help you in scheduling a conference.

- Please watch the staff members on the sidewalk as they will direct you in pulling forward. In the afternoons, a staff member will hold each lane of traffic until all students are safely loaded. Please wait to be dismissed. We will not move cars while students are loading; please be patient.
- Class begins promptly at 8:30 a.m. Students who are not in the building by this time are considered tardy. If you arrive to the drop-off area and there is no adult present, please escort or direct your child to the front office to sign-in. All doors are locked at 8:30 except for the main entrance.
- **Afternoon Pick-up—Dismissal Begins at 3:30 p.m.**
- **Afternoon car rider pick-up is also in front of JMS on Stegall Drive.**
- Please have your sign with student name on the right hand side of windshield.
- Please keep two lanes of traffic for afternoon dismissal and pull all the way to the stairs leading to the gym.
- It is important that students be picked up no later than 4:00 each day. Students not picked up by this time will be placed in our **Afterschool Program at a cost of \$9.00 per child, payable at time of pick-up.**
- Once on campus and in the car rider line, all cell phone use is discouraged.
- The morning car rider line is a continuous flow line and students should exit their vehicles quickly wherever their vehicle gets stopped in the line.
- Vehicles are not allowed to pass and should proceed in a very slow and cautious manner remembering that pedestrians have the right of way at all times.
- Adults should stay in the vehicle.

Changes: If your child is to be transported in a way other than he/she is normally transported, he/she must have a note from home stating the changes. Transportation changes must be made by 2:00 p.m. if possible. Visitors are not allowed to park in the spots marked for handicapped without display of the appropriate tags.

VOLUNTEERS

Volunteers are welcome at JMS! Volunteers will be contacted based on need or set up to come at a regularly scheduled time. The recorded (signed in) volunteer hours are used to secure Title I funds provided by the federal government to support student academic achievement. All volunteers/visitors must attend the training and are required to have a background checks prior to the beginning of each school year. This training will be offered at the beginning of the school year. Volunteers are used in many ways to supplement and enrich the school programs. They assist in the media center and classrooms. They may work with small groups of students and teach mini-lessons as guest speakers. Volunteers are very valuable to us at JMS. If you are interested in being a volunteer, please contact the homeroom teacher, school office, or one of the PTO officers.
