

JMS School Access “Lock-out” Plan

Purpose

As the rate of COVID-19 cases rises, we must take further measures to ensure the safety and cleanliness of our school. This document will lay out the plan for school accessibility for employees as well as families and students who may need to retrieve an item from school.

Protocol

Effective March 25, 2020, school access at Jasper Middle School will be closed to all visitors and staff members. If there is an immediate need, emergency, or delivery for the school, please contact a school administrator via e-mail.
