PRESS RELEASE

January 7, 2021

INFORMATION FOR STAFF AND FAMILIES

With the slight possibility of inclement weather tomorrow morning, especially in the higher elevations of our area, all 12-month employees who have been working should plan to report by 10 a.m. or when safe to do so. All other staff will continue to work as directed by his/her supervisor.

Beginning Monday, January 11, 2021, students enrolled in traditional school will begin distance learning using the itsLearning platform. Students enrolled in Pickens Virtual Academy with Pearson Connexus will begin classes the same day. If you have questions, please email your child's teacher before Friday afternoon so you can get answers before Monday morning.

As mentioned previously, we will announce school plans for the week of January 18, 2021, no later than next Thursday. We are continuing to monitor our COVID numbers within the school community as well as those in the community at-large. We appreciate your ongoing support.
